

Susana Romero
Director, Galapagos Sales & Communication
Celebrity Cruises

Susana has been involved with the Celebrity brand since 1996. During her tenure, she has contributed in several capacities, including Sales, Marketing, Product Development, Operations, New Build and New Product launches allowing her to have a unique and well rounded "expert point of view". Susana has been involved with the Celebrity Galapagos product since its inception in 2003 when Celebrity Xpedition was introduced. In 2016, she successfully launched the Galapagos expansion project, adding two more vessels to the Celebrity's Galapagos portfolio. Most recently, Susana lead and executed the launch efforts for Celebrity's new build for the Galapagos Islands, Celebrity Flora.

Today, she leads global sales and communication for Celebrity's Galapagos portfolio which includes, Celebrity Xpedition, Celebrity Xperience, Celebrity Xploration and Celebrity Flora.

Susana calls Miami, Florida home, and works out of the Celebrity Cruises Headquarters office located at beautiful Port Miami.
